**The season of colds and flu**

Recently we have had many students and staff who have become ill with colds and flu. Please refer to the additional attachment from Vancouver Coastal Health titled, *When Should I Keep My Sick Child Home From School?*

**Westview Library**

A heartfelt thank you to the PAC from Westview students and staff, for the generous donation to help build our collection of non-fiction resources in the Library. Please reinforce with your children that signed out books must be handled with care, and protected from the rain and food items so that they are in good condition for the next borrowers.

Many thanks from Mrs. Tolfo
