

Wednesday May 1st Daily Announcements

Student Council

Meeting today room 205.

Mental Health

Did you know that May is Mental Health Awareness Month, Mental Health Month serves as a reminder to prioritize our self-care, destigmatize mental health conversations, and show support and compassion with others around you. It's a time to be aware of those around you that may be struggling and do what you can to support them. Let's create a caring and supportive community here at Windsor! If you would like to learn more about mental health, drop by the library and check out a book that focuses on this important topic.

Service Hours

Students who have completed service hours within Windsor need to have their form submitted to the office by Friday May 17th for consideration.

Forms are available on the Windsor Website and in the Office.

Garden Club Plant Sale

Spruce up your room, or buy something for Mother's Day and pick something up next week at the annual Garden Club Plant Sale starting Monday May 6th!! Come see us in the foyer at lunch next week!
