#### DAILY PHYSICAL ACTIVITY REQUIREMENT

The British Columbia Ministry of Education (MOE) requires students in Grades 8 through 12 to complete 150 minutes per week of physical activity, at a moderate to vigorous intensity. In Grades 10, 11, and 12, DPA is considered part of a students' *Graduation Transitions Program*.

#### REPORTING

Students are responsible for tracking and recording their daily physical activity. Students' DPA achievement will be reported in each of the three school report cards during the school year and will simply state that a student is "meeting" or "not-meeting" the DPA requirement set by the MOE. The following courses are responsible for reporting DPA achievement:

Grade	Class
8	Physical Education 8
9	Physical Education 9
10	Physical Education 10
11	Grade Administrator – <u>Use this</u>
12	Transition Planning 12
