## **Kiskino humakew'iskwew, Heather Myhre Cree Métis**

Kiskino humakew'iskwew, Heather Myhre, Cree Métis, who has been a teacher with the North Vancouver School District for 26 years, and has been in her current role of Indigenous Success Teacher, for over six years, will be taking a leave from the NVSD to explore new opportunities with Métis Nation of B.C.

“I am humbled and honored to step into this new journey. It has been the teachings, experiences, students, families, community, all the staff and the stories on the unceded territories of Squamish and Tsleil-Waututh Nations and within our school district community that have led me here. I walk with these teachings and stories in my heart and mind and will always remember who and where my teachers are and from.”
