We would like to thank the Coast Salish people, specifically the Skwxwú7mesh Nation and TseilWaututh Nation, whose unceded traditional territory the North Vancouver School District resides on. We value the opportunity to learn, share and grow on this traditional territory.

## Truth and Reconciliation Day 2023

### First Nation Education Steering Committee Curriculum for Truth and Reconciliation in BC

The Indian Residential Schools and Reconciliation Teacher Resource Guides for grades 5, 10 and 11/12 were developed by the First Nations Education Steering Committee and the First Nations Schools Association. They are our response to the call by the Truth and Reconciliation Commission of Canada for education bodies to develop age-appropriate educational materials about Indian residential schools.

#### Nelson

As we approach the National Day for Truth and Reconciliation, we would like to bring awareness to our authentic, trusted and vetted Indigenous focused resources that Nelson makes available to K12 teachers and students across the Country.

For over a century, Nelson has worked in partnership with Canadian educators and more recently, engaged cross-Canadian Indigenous Advisory Circles to develop authentic, trusted, and quality resources that are tied to curricula and that meet Provincial learning expectations and requirements:
